

Meeting the community's needs, one person at a time!

Explore North Aurora 2.0: Creating Change ~Networking Event~

**April 18, 2018
10:00am – 1:30pm**

Providers' Resource Clearinghouse (PRC) is excited to host the 2nd Annual Explore North Aurora 2.0: *Creating Change Networking Event*. Aurora is booming with economic development, state-of-the art medical industry growth, educational expansion, unique companies and organizations that blend together to make one incredible community. While we all offer a variety of resources, services, and attractions, community inclusiveness makes Aurora stand out from neighboring cities.

We are thrilled to showcase your diverse organizations, cultivate new relationships and build community partnerships at this year's event. Together, we make Aurora one of the most dynamic communities in Colorado. Come and celebrate our diversity and build strong and long-lasting partnerships that benefit our business community and residents alike.

If you or an agency that you know of promotes a collaborative initiative (ie. community project, program, event, etc.) that impacts Aurora, feel free to refer them to PRC today!

Proceeds from your contribution will go towards furnishing a household for an individual or family in need in our "\$75 for 75" campaign.

*** All contributions to Providers' Resource Clearinghouse are tax-deductible for federal income tax purposes ***

14500 E 33rd Place, Aurora, CO 80011 303-962-2270
